### Additional Services (check those services you authorize)

- Flush ears if needed
- Brush teeth
- Shave if pet is too matted to groom otherwise.
- Undercoat de-shedding service
- Use of a medicated shampoo if needed
- (An additional charge will apply to all of the above. Please call for prices)*

**Note: If fleas are found on your pet,** we will administer Capstar, an oral medication, at an additional charge. It will kill all fleas present. We do this in the best interest of your pet as well as others in the hospital.

**Please note that additional charges may be applied due to coat condition (e.g. matted).**

We recommend that you have your dog groomed every 6 to 8 weeks, would you like for us to make your next appointment today?      YES      NO

Please leave a name and number where someone may be reached to make decisions if the groomer has additional questions or information about your pet.

Thank You.
