

New Mobile Pet Health App for Our Clients!

Parkway Animal Hospital and Laser Center is pleased to now offer ePetHealth Mobile, an app that provides several pet health resources. This convenient app is free and available for both iPhone® and Android® users. It can be easily downloaded from the Apple or Google Play stores and links can also be found below.

Features of the app include...

- Access to your pet's medical records and other history
- Important health service reminders
- Mobile Pet ID Card
- Prescription refill requests
- Smart dialing, maps and an email link to our practice
- Mobile dosage alerts
- Appointment requests
- A library of pet health videos

After downloading the app, simply enter the email address and password used to access our ePetHealth portal. If you have never accessed the portal, the app will walk you through the steps for a first time log-in. To learn more, click on the links below.

If you have any questions about your pet's health, please contact our practice directly. Thank you for your continued loyalty!
